For Open Carry!
Rink figured GOPs
‘d love him now!

Since he **founded** that Group.
Wrong! Hated him the more.

“Male Whore!” he too often
heard. But most times his Haters
“Comedians” at his expense.

He keeps secret the secrets that
he knows--those who love boys
on the side. Such young men

spill all to him though! My o me!
Hypocrisy the Golden Mean in
Right-o politics: Any Dick today?
Senator So and So? And

can Lesbos and Karens find
ways to really get along?--
if you catch the drift…

So, Republicans’re grifters, in addition
to their other histrionic fakeries?

Only when on the Take
for “Patriotism.” So sublime!

Frauds n’ Bawds the bot-
tom line. So sad.
